was granted only two acs of land. While the plot allotted to him actually measured 5 acs. By G.O. (Flag A) dated 8.1.1934, Vasantha was granted only two acs & from the CCF's letter & copy of the conservator letter in the file put up, it is seen that he applied for only two acs and only two acs was recommended to him. Even being the case, it is not understood why & under what circumstances an area of 5 acs was allotted to him. It may might have been done deliberately with a view the person that allotted this extra land, to the G.O. + why he allotted so, could perhaps be ascertained before confirming the lease of extra area for doing which there seem to be no satisfactory grounds.
